## SPECIAL FEATURE - Schedule Caliper Consultations with Ease

By Elif Wisecup, Director of Marketing and Big I Advantage® Publications

Big "I" partner for human resources consulting and personality testing, Caliper, has announced a new service for scheduling appointments called ScheduleOnce.

The new software is in effect now. No more waiting for appointment confirmations or struggling to decide how much time to schedule. Now, within seconds, you can easily pick the day and time that are most convenient for you and schedule it right into your Caliper consultant's calendar.

Booking your Caliper consultation now is as easy as 1, 2, 3:

1. When your Profile results are ready, you'll receive an e-mail that contains a link to your consultant's calendar.
2. After clicking the link, choose the consultation length and appointment time that best fit your schedule.
3. Fill out the appointment form, and click "Schedule appointment."

It's that simple. [Click here to see the new interface.](#)

Then, you'll receive an e-mail immediately confirming your appointment and have the option to add it to your calendar. You'll also get a reminder from Caliper 1 hour before your appointment time, and you'll have the option to reschedule your appointment straight from the e-mail or the calendar event.

If you have any questions, don't hesitate to call Caliper Customer Relations desk at 609-524-1400, or e-mail [caliper@calipercorp.com](mailto:caliper@calipercorp.com).
