

SPECIAL FEATURE - Add Selective's QuoteitNow Tool to Your Agency Web Site

Big "I" Flood partner Selective knows writing flood insurance business is complex - and agents already have a lot on their plate, so any time saved means more time for them to capture new business.

For this reason, Selective offers QuoteitNow - a self-service flood quoting tool that can be easily added to Selective appointed agency Web sites. In just a few simple steps, QuoteitNow walks customers through a flood application up to binding and directs them to contact the agency to finalize the process.

Why not maintain a personal touch with customers, while empowering them to start the flood quote process on their own - and at their convenience? Work with Selective to save time, save money and drive business. To learn more watch a brief overview video here. For additional questions or to become a Selective appointed flood agent, contact Quoteitnow@selective.com or visit www.iiaba.net/Flood.

Last week's version of this story mistakenly mentioned state exclusions. QuoteitNow is currently available nationwide.
