SPECIAL FEATURE - An Agent's Night Before New Year's

By Elif Wisecup, Director of Marketing and Big I Advantage® Publications

'Twas the day before New Year's,
(Which seemed beyond belief)

So I thought to myself,
I'll turn over a new leaf!

As a proud member of my amazing Big "I" state association,
I get national membership, too! What a great realization.

Spent 2016 growing my book as best I was able...
But was it possible that I left some member benefits on the table?

I shipped packages all year, but I paid full price!
With my [UPS discount](#), that expense can be sliced.

I saved for [retirement](#) but paid high plan fees,
Next year, I'll wise up, and get a quote from [Christine!](#)

I sent out applications the old-fashioned way...
That's about as efficient as taking a sleigh.

In 2017 I'll switch to [DocuSign](#),
And by 2018 I'll have improved my bottom line.

I hired some staff but forgot to use Caliper...
With my next addition, I'll use [personality testing](#) for sure!

I banked with a random bank I saw on TV,
This year I'll try [Insurbanc](#), a bank designed for me!

What else can I do to make money and grow?
Is there more I can access? I'm feeling gung ho!

I'll get a fresh quote from [Big "I" Professional Liability](#),
Then to help avoid claims, I'll subscribe to [VRC](#).

I'll offer [personal umbrellas](#) to every client,
I'll visit [E&O Happens](#) to ensure I'm compliant,

The product and eligibility may have been revised or discontinued since the original article was written. Review the Information page for each product on Big "I" Markets for current content and instructions.

I'll roll my flood book to [Big "I" Flood](#) now,
So that in the event of a storm my clients won't have a cow.

And before the year starts, I'd be wasting my dues,
If I skipped [Big "I" Markets](#) for a quick product review...

On affluent homeowners! On non-standard, ho!
On bonds, on marine, on events! LRO!
On travel insurance and on, vacant dwelling!
On commercial, on bicycles, let's go and get selling!

Yes, 2017 is the year I'll take advantage
And maximize every Big "I" benefit I can manage.

And this time next year, you'll hear me say with delight,
"Big I Advantage offered it all, and helped my agency take flight!"
