InsurBanc Shares Insight on Cash Management

InsurBanc has recently published another article with Property Casualty 360. The article, [3 Keys to Effective Cash Management for your Insurance Agency](#), authored by InsurBanc's Vice President and Business Development Officer, Patricia Smith, provides insight into the importance of a comprehensive and unique cash management plan for independent insurance agencies. Smith expands on some of the essential tools needed for an effective cash management plan. Interested in learning more? Click [here](#) to read the full article.

Learn more about Insurbanc, the bank founded by and for independent insurance agents, at www.insurbanc.com.
