AIG Private Client Group Coverage Webinar - Personal Umbrella

Join Lisa Gelles, AIG Private Client Group Business Development Manager as she breaks down AIG's Private Client Group's umbrella coverage. In today's litigious society, one lawsuit can do significant damage to even the wealthiest of individuals. Adequate liability protection is more important than ever.

The liability coverage included within homeowners, auto and yacht policies is considered primary insurance; it responds first in the event of a claim. Excess liability (also known as "umbrella") insurance responds after primary coverage limits are exceeded. For example, the liability limit on many homeowners' policies is \$300,000. If someone is injured on your property and awarded damages above that, you're personally responsible for the remaining balance, including legal fees.

To learn more about AIG Private Client Group's umbrella program, join us on March 23 at 1:00 - 2:00pm EDT. [Click here to register](#). Cost: Free.
