Chubb Masterpiece for High-Value Homeowners Presents Automobile Coverage Webinar

Ray Crisci, SVP and North America Auto Product Manager for Chubb Personal Risk Services, will present a webinar entitled "Safety First" which compares and contrasts the way Chubb settles auto claims differently than other auto insurers. In this second webinar in Chubb's educational series, Crisci will explain why a high level of claim adjustment expertise is required to ensure that today's increasingly complex vehicles are fixed correctly in order to ensure their safety systems perform as designed in the event of a subsequent accident.
