SPECIAL FEATURE

Keep Your Big "I" Membership Current to Maintain Full BIM Commission

Beginning in April, non-IIABA members will see changes in commission level on business placed through Big "I" Markets. This includes Big "I" Markets products, Eagle Agency, Eagle Express and RLI if placed with IIAA Agency Administrative Services, Inc. Agencies whose membership has lapsed will earn 50% of commission previously earned. In addition, non-members will be paid on a quarterly basis.

Membership status is confirmed at time of payment, i.e. monthly if registered for EFT and quarterly if not. Keep your membership current to avoid this reduction and to continue receiving the many valuable benefits offered by the Big "I" and your state association, including [Big "I" Professional Liability](#), [E&O Happens Risk Management](#), [Big "I" Flood](#), [Big "I" Retirement Services](#), member discounts on [DocuSign](#) electronic signature processing and your free [IA magazine](#) subscription.

Has your membership lapsed? Contact your [Big "I" state association](#) to sign-up.
