SPECIAL FEATURE

Register for a Free Big "I" Risk Management Webinar on Preparing for a Catastrophic Event

Big "I" Professional Liability offers quarterly risk management webinars as an exclusive Big "I" member benefit. The next session, [Agency Risk Management Essentials: Preparing for a Catastrophic Event](#), will be held Wed, Apr 19, 2017 2:00 PM - 3:00 PM EDT. The webinar will feature several panelists who will not only share their expertise on covering catastrophic events, but also provide effective strategies for insurance agents and brokers designed to reduce their agency's risk of catastrophic errors and omissions claims.

Panelists will include Don Burke, MBA, Flood Insurance Manager, Selective Insurance Company; Caryn Mahoney, Assistant Vice President and Claims Specialist, Swiss Re Corporate Solutions; Michael Medford, Attorney at Manning Fulton as well as a Big "I" member insurance agent. Register today to reserve your space; there is no cost to attend.

This webinar series is provided by the Big "I" Professional Liability Risk Management team. A comprehensive collection of risk management resources including articles, checklists, and topical educational webinar recordings can be accessed with your Big "I" username and password but logging into [E&O Happens](#).
