

Goldleaf Surety Success Story: Helping a Glass and Glazing Contractor

Author: Lori Olson, Goldleaf Surety Service Small Business Intake Manager

Goldleaf Surety Services recently assisted a large general contractor's glass and glazing division obtain bonding of \$6,500,000 for the operable window system, glass and glazing for luxury suite renovation to an NFL stadium. In addition to the challenges relating to the type of work being done and the size of the contract, this bond included review of six related entities to include on the indemnity agreement; a multiple obligee rider to included 5 obliges; and obtaining an All's Right Letter from the project owner as work was 40% completed prior to Goldleaf working on this bond.

With access to over two dozen surety companies and a staff of highly experienced staff, Goldleaf Surety is able to assist agents and their contractors in many situations where others have said no. Through our relationships within the surety industry and our comprehensive underwriting, Goldleaf Surety is able to understand the complexities of the situation and present these to a surety so that they are comfortable with the risk.
