## Travelers Small Business Offers Expanded Coverage

How much is that doggy in the window? The one with the waggly tale? While we're not certain how much it will cost to buy Spot, you can now reach out to the pet store owner and offer them a BOP!

**Travelers Select Accounts** offers a robust variety of coverages for small businesses. A proprietary BOP product, Master Pac®, workers' compensation, commercial automobile, and commercial umbrella are available, with a broad array of industry-specific coverage options and coverage extensions. We're pleased to announce that Travelers has now expanded its coverages for **Pet Care Services** and added **Day Spas** and **Med Spas** to their eligible businesses.

**Pet Care Services** expanded coverages are overnight boarding and kennels for those involved in the medical treatment or care of pets and the sale of pet-related products, such as veterinarians, pet grooming (including mobile grooming), pet day care (or "doggy day care") and overnight boarding, pet sitters, and pet stores.

**Day Spas, Beauty Spas, Massage Therapists and Massage Therapy** includes massage, non-medical facials, waxing and scrubs: may also offer hair and nail services and limited food/beverage service.

**Med Spas** includes medical practices offering both elective medical treatments, (dermabrasion, chemical peels, injectables, laser/electrolysis, liposuction and plastic surgery) with spa treatments (massages, waxing, body wraps, etc.)

Travelers Select is now submitted under the product name "**Small Commercial Standard Markets**" on [Big "I" Markets](#). ACORD Applications and three year loss runs will be required. Travelers is available in all states except AK, FL, HI, LA, RI & TX.

*The product and eligibility may have been revised or discontinued since the original article was written. Review the Information page for each product on Big "I" Markets for current content and instructions.*
