Chubb Masterpiece - Valuable Articles Webinar

Join Meghan Jackson, Chubb's Business Development Manager for the DC Metro Territory at 2:00 p.m. EDT on Tuesday, October 3rd to learn why it's important to inquire about the need for valuable articles coverage on all homeowners policies. Typical homeowners policies are designed primarily to protect your client's home, personal liability and the general contents of the house. If your client relies solely on their homeowners policy, they will most likely have out-of-pocket expenses if valued possessions are lost, stolen, or damaged.

Date: Tuesday, October 3rd

Time: 2:00 - 2:30 p.m. EDT

Cost: Free
