## SPECIAL FEATURE

### October 2017 Flood Program Changes Posted

FEMA has released the October 1<sup>st</sup>, 2017 program changes for the National Flood Insurance Program (NFIP). The changes include the following:

- Revised cancellation refund rules for the surcharge implemented with the Homeowner Flood Insurance Affordability Act of 2014.
- Reduced federal policy fee for tenants' contents-only policies.
- Updated claims data elements in the TRRP (Transaction Record Reporting and Processing) Plan

Check the [bulletin](#) on the NFIP website to see more details on the program changes.
