Frequently Asked Questions

What is the LET's Virtual Summit?

The Big "I" is bringing together our Young Agents, Education Convocation and Agents Council for Technology programs in a combined virtual summit.

What sessions are being offered?

Each of the Big "I" programs represented are presenting sessions over the three days that are focused on their unique areas.

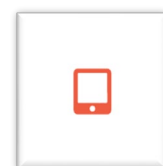

Sessions are offered across [three tracks](#):

LET's Lead!

LET's Educate!

LET's Tech!

What are the dates for the LET's Virtual Summit?

The LET's summit takes place **October 19 – 22, 2020**. Sessions begin at 11:00 am ET each day to allow everyone across all time zones to enjoy our content.

What is the cost to attend the LET's Virtual Summit?

Due to the generosity of [our sponsors](#), the LET's summit is FREE to all!

Do I have to be a Big "I" member to attend the LET's Summit?

No, [registration](#) is open and FREE to everyone.

Is there a limit to the number of employees that can register from a single organization?

No, the LET's Summit is open to anyone in your organization that would find value in attending. We encourage you to share with your colleagues!

If I usually attend a meeting for one of the programs (like ACT, or Young Agents) should I choose the sessions that are marked as being presented by that specific program?

That is the beauty of this combined summit! Pick and choose content you are interested in. Try a Young Agents session if you are usually at an ACT meeting. Choose an ACT session if you are an Education Convocation regular. And if you've NEVER had the opportunity to attend any of these Big "I" program conferences, try a few of each!

Is there a downloadable version of the sessions being offered?

You can access a downloadable LET's schedule [here](#).

Will sessions be recorded?

Yes, all sessions presented virtually will be recorded and available to watch on-demand on our [LET's Summit website](#) at the conclusion of the conference.

What browser version I should use to get the best virtual experience?

For best viewing, access the LET's Summit from a desktop or laptop. Mobile device participation is available, however, some features may be limited.
