RISK RATING 2.0 - EQUITY IN ACTION WEBINAR

FEMA is updating the National Flood Insurance Program's risk rating methodology through the implementation of a new pricing methodology called **Risk Rating 2.0 - Equity in Action**. The methodology leverages industry best practices and cutting-edge technology to enable FEMA to deliver rates that are actuarially sound, equitable, easier to understand and better reflect a property's flood risk.

This webinar brings agents the latest information on how and when Risk Rating 2.0 will be implemented. It will also discuss the following key topics:

- **What is Risk Rating 2.0: Equity in Action**
- **What led to this NFIP transformation**
- **The NFIP today**
- **What is changing**
- **What is not changing**
- **Transition of current policies**

REGISTRATION INFORMATION

To register, please use the links above. These webinars are **FREE** to attend, but spaces are limited so please register early.

Can't attend these sessions? NFIP conducts webinars on flood insurance topics regularly. Watch for more upcoming opportunities. If you are not a subscriber to NFIP agent training bulletins, [please sign up here](#).

CONTINUING EDUCATION CREDITS

Continuing education course approval and credits vary by state for insurance agents. [Click Here](#) for information about your state.

Periodic learning checks will be conducted to measure attendee engagement. **Learning checks must be completed by each registered attendee to earn continuing education credit. Only registered attendees are eligible to receive continuing education credits. No exam is required.**

Currently, there are no continuing education credits available in Puerto Rico, Guam or the United States Virgin Islands.
