

Winter Lay-Up Boat Tips From Chubb

With the summer boating season now behind us, boat owners across the country are beginning to prepare their vessels for winter storage. To help customers with this important lay-up process, Chubb is sharing its "Going Into Lay-Up" tip sheet, along with a full length "Going Into Lay-Up" brochure. Developed by Chubb's team of highly experienced marine specialists, these education resources are designed to help yacht and boat owners store their vessels safely over the winter and ensure readiness for spring commissioning next year. We encourage you to share this valuable information with your clients whenever possible. You can download the PDFs from the following links:
