

Wrap Up in a Cyber Security Blanket

In today's data-driven world, organizations of all sizes are at risk for a cyber-attack or data breach. It's not a question of if your clients' organization will suffer a breach, but when. Just one stolen laptop, one resourceful hacker, one virus or even one lost paper record of customer data or your company's financial records can create enormous financial and reputational consequences.

Travelers CyberRisk coverage is available for organizations of all sizes and offered as a stand-alone policy or as part of the *Wrap+*[®] management liability suite of coverages. CyberRisk provides a combination of coverage options to help protect your clients' business. In addition, your clients will have access to the Travelers' *eRisk Hub*[®] - an information portal that includes pre- and post-event benefits

including:

- **Tools** to build privacy controls, information and IT security programs
- **Calculators** to estimate potential costs of an event
- Listing of **experts** who help customers build/improve cyber programs
- Statutory, regulatory and case law **updates** on privacy liability and notification obligations
- HIPAA Coach service - 1-hour **consultation** to identify cyber-related issues HIPAA raises
- **Breach Coach**[®] service - 30-minute attorney consultation
- Sample **incident roadmap** for dealing with a privacy breach
- Easy access to Travelers' **claim reporting** website

Travelers CyberRisk coverage includes 10 insuring agreements. Liability insuring agreements cover costs associated with the liability of a claim or suit related to a breach and includes:

- Network & Information Security Liability - Coverage for claims arising from unauthorized access to data, failure to provide notification of a data breach where required by law, transmission of computer virus or failure to provide authorized users with access to the company website.
- Communications & Media Liability - Coverage for claims arising from copyright infringement, plagiarism, defamation, libel and slander in electronic content.
- Regulatory Defense Expenses - Coverage for governmental claims made as a result of network and information security liability or communications and media liability

. First-party insuring agreements cover such things as the material costs of a breach, including forensic analysis, fees to determine the nature and extent of the breach, as well as notification costs that are legally mandated in 47 states and include:

- Crisis Management Event Expenses - Coverage for public relations services to mitigate negative publicity.
- Security Breach Remediation & Notification Expenses - Coverage for costs associated with notification of individuals breached, credit monitoring, fraud expense reimbursement and call center. Optional per person notification available.
- Computer Program & Electronic Data Restoration Expenses - Coverage for expenses to restore data lost from system damage due to computer virus or unauthorized access.
- Funds Transfer Fraud - Coverage for loss of money or securities due to fraudulent transfer instructions to a financial institution.
