## SPECIAL FEATURE

### Invest In Your Future Agency

Insurbanc CEO Bob Pettinicchi recently sat down with *Insurance Business America* to discuss how important it is for agency owners to invest in the future in order to be successful in today's market.

According to the article, agency owners should be considering acquisitions and investing in technology or people if they truly want to expand. Technology can help agencies streamline their internal process, increasing efficiency, and cutting expenditures. In order to do this, agencies must find a bank to finance these projects. The best way to secure financing is to look for a bank that understands agencies' finances and needs.
