SPECIAL FEATURE Webinar Opportunity: Cybersecurity Made Simple

Join Agents Council for Technology (ACT) for a [free 30-minute cybersecurity webinar](#) next Tuesday, December 12th at 2:00 P.M. Eastern. Bill Larson and Paul Peeples will go through critical cybersecurity issues that are facing every independent agent. This webinar will give agents a clear understanding of the risks for non-compliance and a concise overview of all applicable security regulations. Agents will learn the top cybersecurity regulations and what they can do now to best comply with each regulation. Last year, Keeper Security and Ponemon reported that more than 50 percent of small and medium-sized businesses suffered a cyberattack. Take time to learn 3 steps you should take now to make your agency cyber secure and compliant. Please note, there will be 15 minutes for Q&A immediately following the webinar.

Please send your questions, comments and feedback to: act@iiaba.net

Don't forget, you have access to a cyber solution for your small business clients as well. Log into www.bigimarkets.com and click on "Cyber-Small Business Solution" to learn more.
