FYI, Businesses Need EPLI

Employment Practices Liability Insurance (EPLI) includes coverage for defense costs and damages related to various employment-related claims including allegations of Wrongful Termination, Discrimination, Workplace Harassment and Retaliation.

Your business clients may think an employment practices claim will never be made against their organization... but they should think again. Employment related claims impact organizations of every size, in every industry and can disrupt businesses, hurt employee morale, damage reputations and cost businesses financially, even before going to court.

Travelers Knows Employment Practices Liability

With exposures leading to employment practice claims increasing over the years due to economic conditions, demographics and the ever-evolving legal environment, it is important for business to protect their bottom lines.

Travelers helps businesses understand and demystify Employment Practices Liability coverage.
