## SPECIAL FEATURE 2018 BIM Product Guide

Each year we publish a printed guide for Big "I" Markets, which is delivered to Big "I" member agencies the old-fashioned way, through the mail.

We're pleased to offer *Two for Tuesday* readers a [preview of this guide](#), which gives an overview of most markets available on BIM. You should be receiving one in your agency mailbox very soon!

Our cover this year has the phrase, "We are the key for the markets you need today." And that's just how we hope you feel after reading through the wide array of markets available to you as a Big "I" Markets agent. Take a moment to flip through and perhaps discover a gem you hadn't noticed before.

Product availability does vary by state so be sure to log into [www.bigmarkets.com](http://www.bigmarkets.com) for the most up-to-date product listing for your agency.
