Attend a Kick-off Webinar for the GIVE Movement

The Big "I" national Young Agents are encouraging agents to give back to the community the week of June 1-8. Join the committee and the Illinois YAC, inspiration for the event, to learn how you can easily be part of the GIVE movement, a week long campaign dedicated to giving back to the community.

[Join us April 13 at 12 noon](#) ET and help us celebrate ordinary people doing extraordinary things! We'll share ideas and launch our Make-A-Wish national fundraiser!
