SPECIAL FEATURE

Big I Advantage® Virtual Risk Consultant (VRC)

A sales and risk exposure evaluation tool you can afford.

The Big I Advantage Virtual Risk Consultant (VRC), powered by Rough Notes, is a trusted insurance knowledge base platform available exclusively to Big "I" members. Quickly get the information you need to understand your customers' operations and exposures while identifying appropriate coverages. As a Big "I" member you enjoy exclusive member pricing which represents an extraordinary value. Annual plans start at just \$250/year per agency for up to 15 users. Similar products in the marketplace sell for thousands per year.

Gain access to the resources your agency needs, such as:

- [E&O checklists](#) & questionnaires
- Sales and marketing tools
- Proposal language
- Training and development support

Want to take the VRC for a test drive? [Click here](#) for a limited demo.
