## SPECIAL FEATURE

### Save the Date for Free Agency Risk Management Webinar on Commercial Placements

The next session in the Big "I" Professional Liability/Swiss Re Corporate Solutions quarterly webinar series will focus on commercial lines coverage placements.

Commercial placements have been a leading cause of insurance agents errors & omissions claims for years. If your agency has exposure to these types of coverages, you don't want to miss this webinar scheduled for Feb. 6, 2019 at 2 p.m. EST.

Our panelists will take an in-depth look at a number of different claims and answer the following: What went wrong? What was the outcome? And what could be done differently to prevent a similar type of claim at your agency?

Reserve your spot for [Agency Risk Management Essentials: Commercial Lines - Back to Basics](#) today.
