

CNA Helping To Reduce Workplace Injury

According to [Industry Week](#), approximately 3.7 million people are affected by workplace injuries each year, costing employers over \$170 billion annually.

CNA's Workers' Compensation coverage for small businesses, available to Big "I" Markets agents through Big "I" Markets, provides the necessary medical coverage and wage replacement for employees injured on the job. It also offers services to help them remain on the job or return to work as soon as medically appropriate.

Why CNA for Workers' Compensation?

Experienced underwriting, risk control and claim professionals are dedicated to keeping your customers' businesses running. Services include medical bill review, return-to-work program, 24/7 claims assistance and guidance on implementing health and safety programs to keep the workplace safe.

Did you know **Workers' Compensation** is offered on a monoline basis or with other products?

Your small business **Workers' Compensation** policyholders are eligible for pay as you go billing from CNA. This service helps eliminate the guess work of insurance costs while helping your clients gain more control over their cash flow.

Payments are based on real time payroll data, so they pay exactly what they owe each billing cycle - no more, no less, with no need to worry about owing additional fees or getting money back at the end of the year.
