

**Big "I" Winter Meeting
Trump National Doral Miami
Miami, Florida
January 5 - 8, 2022**

**Safety Precautions
As of October 26, 2021**

The safety of our meeting attendees is paramount. We are taking the following precautions, adhering to current Miami, Florida [guidelines](#) and [CDC recommendations and checklists](#).

Acknowledgement of Enhanced Safety and Health Measures:

- Registration and attendance at, or participation in, the Big "I" Winter Meeting in person constitutes an agreement by the registrant to abide by IIABA's and the host property's efforts to comply with current CDC recommendations (and any Miami, FL requirements) and to engage in certain health-and-safety-beneficial conduct while attending the event as requested by IIABA (including to maximize protection from the Delta variant and prevent possibly spreading it to others, wearing a mask indoors in public if you are in an area of substantial or high transmission, wearing a mask and engaging in appropriate physical distancing if you haven't been vaccinated, not attending the event if feeling sick, showing certain symptoms or after being exposed to an individual with COVID-19).

Guidelines and Precautions

General Information

- All attendees are encouraged to bring their own personal protective equipment (e.g. masks and hand sanitizer) for their personal use.
- IIABA will provide attendees with complimentary masks and hand sanitizer in the registration area when name badges are picked-up. Any mask or hand sanitizer is provided "as-is" with no warranties or representations as to the quality or efficacy of these items.
- Name badges will be pre-stuffed in badge holders and a lanyard will be included in the name badge envelope.
- Ribbons will be present in the registration area but no other materials will be available.
- It's mandatory to accept the meeting waiver located on the event registration site prior to attending the meeting.

Face Mask and Social Distancing

- CDC guidance for people who are fully vaccinated – to maximize protection from the Delta variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.
- Due to our cooperative agreement with the meeting facilities, if you haven't been fully vaccinated, a mask covering both the nose and mouth will be required at all times while inside the hotel unless eating or drinking, or while in your guest room.

In general, people are considered to be full vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

If you don't meet these requirements, regardless of your age, you are NOT fully vaccinated. Keep taking all [precautions](#) until you are fully vaccinated.

- For those who haven't been fully vaccinated, state and municipal health guidelines stress that, whenever possible, all persons should leave at least 6 feet (approximately 2 meters) of space to the person closest to them. Social distancing guidelines are prominently placed throughout the hotel.

General Hotel Cleanliness

- The hotel is following the CDC guidance for people who are fully vaccinated – to maximize protection from the Delta variant and prevent possibly spreading it to others, team members are required to wear a mask indoors in public if they're in an area of substantial or high transmission.
- The hotel requires team members to wear face masks if they haven't been fully vaccinated – and additional personal protective equipment based on job specifications.
- In an effort to enable safe travel, the Trump National Doral Miami supports the American Hotel & Lodging Association's recently expanded [Safe Stay Guidelines](#).
- Trump Hotels [Commitment to Health and Safety](#).
- [Sharecare Health Security VERIFIED® with Forbes Travel Guide](#).
- Trump National Doral Miami [Important Updates](#).
- Trump National Doral Miami [Updated Hotel Services](#).
- Hotel staff members have wellness and temperature checks upon arrival.
- Touchless hand sanitizer stations are located around the hotel.
- Public bathrooms will be cleaned frequently (more than once an hour).

COVID-19 Response and Protocols

- If a guest begins to feel ill, he/she will be strongly encouraged to contact health authorities in order to be tested for COVID-19. Prior to and after being tested, a guest with a suspected or confirmed case will be required to remain in his/her guest room until the guest can depart from the hotel to return home or go to a medical facility. If a guest tests positive, the hotel strongly encourages the guest to seek a medical facility as the hotel is not designed or equipped to handle medical care. If a guest is under quarantine, the guest may reach out to the front office to talk through options for food delivery outside his/her guest room door. Once vacated, a room occupied by a guest who is suspected of having or has been diagnosed with COVID-19 will be removed from service to undergo a detailed cleaning protocol. The guest room will not be returned to service until the room has been disinfected, and consistent with the guidance issued by local health authorities.

Hospital:

Baptist Health Hospital Doral (Opening November 8, 2021)
9500 NW 58th Street
Doral, FL 33178
(786) 595-3900
(2 miles/6 minute drive from the hotel)

Jackson West Medical Center
2801 NW 79th Avenue
Doral, FL 33122
(786) 466-1000
(1.9 miles/7 minute drive from the hotel)

Trauma Center:

Ryder Trauma Center/Jackson Memorial
18800 NW 10th Avenue
Miami, FL 33136
(305) 585-1152
(10.5 miles/21 minute drive from the hotel)

Urgent Care:

UHealth Jackson Urgent Care Doral
7400 NW 104th Avenue
Doral, FL 33178
(305) 585-9250
(4 miles/12 minute drive from the hotel)

Test Facilities:

Please review [this link](#) for all of the options.

Guest Rooms

- Every guest room is thoroughly cleaned and disinfected prior to your arrival.
- During your stay, hotel will provide daily housekeeping service. If you would prefer not to receive daily service, please inform the Front Desk Agent upon check-in.
- A coffee maker and fully stocked minibar remain in each guest room. All paper (menus, magazines, etc.) has been removed.
- Early check-in and late check-out will be *extremely* limited as housekeeping requires additional time to clean rooms in-between guests.

Meeting Spaces

- Meeting rooms are disinfected after each meeting. Please do not leave anything in the meeting rooms when you leave.
- Water stations are not available due to current recommendations. Bottled water will be available in event space if provided by the group or in the hotel's sundry shop located on the lower level of the Resort Clubhouse.
- Social distancing signage is present.
- Pens and writing pads won't be available.

Meal Functions

- A meal served buffet style in the past will now have food stations and will be cafeteria style with hotel staff serving attendees.
- Some coffee stations will be staffed by hotel team members and others will be self-service. For those that are self-service, please use the paper provided to touch the coffee urn spigot.

Miscellaneous/Other

- Valet and self-parking will be available.
- Elevator information:
 - *Elevator button panels are disinfected at frequent intervals.
 - *4 guests will be allowed per elevator.
