

# Expand and build Insurance Expertise with **EXCEED** Online Learning

EXCEED is a new and engaging way to train insurance producers and provide a comprehensive knowledge base for each member of the team.

Online learning doesn't need to be long and boring. With EXCEED insurance education is **FUN, ENGAGING AND EFFECTIVE.**

## Outshine the Competition with EXCEED

Microlearning episodes break down real-life practical scenarios. The EXCEED dashboard, tracking and automatic follow-up allows managers to onboard new staff, reveal what coverage areas may need additional training and foster a culture of learning and excellence for the entire agency.

### Managers LOVE EXCEED

- Team tracking and accountability is built in
- New employees can build on license exam courses
- Seasoned employees can explore coverage areas they may not often handle
- Reinforce education or knowledge gaps with short weekly content reminders

### Agents LOVE EXCEED

- Easily explore commercial lines or personal lines coverage
- Modules are digestible, full of bright narration, relatable and interactive
- Complex elements are broken down into practical scenarios

**READY. SET. EXCEED.**
