A. Amendment

Any exclusion of terrorism in this Coverage Part or Policy, or attached to such Coverage Part or Policy by endorsement, is hereby amended to the effect that such exclusion does not apply to a "certified act of terrorism".

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002. The criteria contained in that Act for a "certified act of terrorism" include the following:

1. The act resulted in aggregate losses in excess of \$5 million; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Further, the aforementioned exclusion does not apply to an act which meets the criteria set forth in Paragraph 2. of the definition of "certified act of terrorism", when such act resulted in aggregate losses of \$5 million or less.

B. Cap On Certified Terrorism Losses

With respect to any one or more "certified acts of terrorism" under the federal Terrorism Risk Insurance Act of 2002, we will not pay any amounts for which we are not responsible under the terms of that Act (including subsequent action of Congress pursuant to the Act) due to the application of any clause which results in a cap on our liability for payments for terrorism losses.

C. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
